Education

KPR College of Arts Science and Research

- B. Sc - Computer Science
- Percentage - 89.6*

Sri Ramakrishna Vidyalaya Matric Hr. Sec. School

- HSC - 77%

Projects

ATM Console Application

Developed a simple console-based ATM application in Python, allowing users to perform basic banking transactions like balance inquiry, withdrawals, deposits, and PIN authentication. Designed a user-friendly, menu-driven interface for easy navigation. Implemented file handling/database storage to manage user account details securely. Ensured error handling for invalid inputs and transaction limits. Strengthened logical thinking and programming skills through real-world application development.

Awards
